Crankshaft	Man, Augsburg, Germany	Juschtrans	408	---	---	---
Diesel engine parts	Man, Augsburg, Germany	Juschtrans	439,20	---	---	---

25X1A

1. Comment. These diesel engines have been transported to the Mannesmann Trausl firm where they will be assembled and shipped to Lark, USSR. Allegedly this purchase was ordered directly from Moscow. The purchase price for the four engines and the spare parts was approximately 600,000 schillings; they were imported to Austria duty free.
